## A bout us

When we started this business in 2008, we were and are still looking forward to developing and providing the best we have to our valued customers, by finding all available solutions in the works of photocell doors, moving awnings, moving glass for restaurants, folding glass, hospital doors, operating room doors, aluminum and wood doors, and office partitions. Aluminum windows and all glass and aluminum works Where our work starts from raising the sizes and providing a suitable design for the work to the complete preparation and installation with the guarantee, follow-up and provision of post-installation services We have installed many similar works in Turkey and outside Turkey, and they won the admiration of customers, as they were among the international specifications and of high quality

2008 yılında bu işe başladığımızda, fotoselli kapılar, hareketli tenteler, restoranlar için hareketli camlar, katlanır cam işlerinde mevcut tüm çözümleri bularak, siz değerli müşterilerimize sahip olduğumuz en iyiyi geliştirmeyi ve sunmayı dört gözle bekliyorduk ve hala bekliyoruz. , hastane kapıları, ameliyathane kapıları, alüminyum ve ahşap kapılar, ofis bölmeleri Alüminyum pencereler ve tüm cam ve alüminyum işleri İşimizin boyutları büyütme ve işe uygun bir tasarımın sağlanmasından başlayarak komple hazırlık ve montaja kadar garanti, takip ve montaj sonrası hizmetlerin sağlanması. Türkiye'de ve Türkiye dışında birçok benzer iş kurduk ve uluslararası şartnameler arasında yer alması ve kaliteli olması ile müşterilerin beğenisini kazandı

عندما بدأنا هذا العمل في عام 2008 كنا ومازلنا نتطلع الى التطوير وتقديم افضل ما لدينا الى زبائننا الكرام , وذلك من خلال ايجاد جميع الحلول المتوفرة في اعمال ابواب الفوتوسيل والمظلات المتحركة والزجاج المتحرك الخاص بالمطاعم والزجاج القابل للطي وابواب المستشفيات وابواب غرف العمليات والابواب الالمنيوم والخشب والقواطع المكتبية والشبابيك الالمنيوم وكافة اعمال الزجاج والالمنيوم حيث يبدء عملنا من رفع المقاسات وتوفير تصميم مناسب للعمل الى التجهيز والتركيب كاملا مع ضمان ومتابعة وتقديم خدمات مابعد التركيب قمنا بتركيب اعمال مماثلة كثيرة في تركيا وخارج تركيا ونالت اعجاب الزبائن حيث كانت من ضمن المواصفات العالمية وذات جودة عالية

SUSTAINABILITY

HELPING TO BUILD A GREENER WORLD

The environment, and our impact on it, is of vital importance to us all. At Modow we use our values to build financial success and meet our social responsibilities together.

01

### **SUSTAINABLE BUILDING MATERIAL**

Aluminium is one of the best materials available in terms of sustainability. Aside from its practical and energy-saving advantages in construction, it can be recycled repeatedly.

02

### **DESIGN**

We are designing exteriors in line with the environment surrounding the project.

03

### **INSTALLATION**

We do installation work as high as possible in order to get the highest level of safety as well as good work .
